For the man at the top or the man on the way up

A handsome traveling companion to and from the office. Lightweight compression molded shell with fiberglass reinforcement for strength. Rugged Vinyl-Vac covering simulates the look of leather and defies the scuffs and scraps of daily abuse. Polished, die-cast chrome hardware with recessed locks.

The built-in expanding file folder has three compartments to help you organize your work. Eighteen inch width easily accommodates legal size tablets. The king size 5" attache holds an extra shirt and change of clothes for overnight trips.

Style No. 8100

SIZES:	COLORS:
3" Slim	Charcoal Green
4" Regular	Charcoal
5" King	Brown

Executive Business Cases
by Airway
The very finest attache value.

Rugged construction defies the scuffs and scrapes of any travel schedule. These tough injection molded attache cases are manufactured under Government Quality Assurance Specifications, which includes tumble, drop and corrosion destructive tests.

Airway Executive Business Cases are built to last with recessed chrome plated locks set in an anodized aluminum valance. The handle is contoured for easy carrying, and metal reinforced for strength.

Both the 3 inch and 5 inch models have a double file built into the lid. And both easily accommodate legal size tablets with room to spare. The 5 inch King attache also features a removable desk and blotter. Great for catching up on paper work when you're in the air.

Style No. 7292
Sizes: **Slim 18″ x 13″ x 3″**
King 18″ x 13″ x 5″ (with desk)
